

YOUR SMILE IS TOO IMPORTANT TO DO IT YOURSELF.

Let a licensed Dentist take care of it in shorter, less frequent appointments.

MORE COMFORTABLE

We use the world's most advanced Aligner material that is exceptionally clear, comfortable, durable, and with the ability to flex, moves teeth gently.

Your smile deserves THE BEST.

That's why our Invisible Aligners are crafted using the best material in the industry, Zendura® FLX™.

SUPRISINGLY AFFORDABLE

Six Month Smiles treatment can range between \$3,500 and \$5,000 (£2,500 and £3,500). Your doctor will determine the cost of your treatment based on how complex your case is.

If your insurance doesn't cover Six Month Smiles treatment, don't worry! Most of our Dentists offer payment plans that are suitable for every budget.
